

# James A. Garfield Alternative Learning Plan

Teachers at JAG place tremendous value on face to face learning. The activities presented in this learning plan are not meant to replace the face to face instruction. These activities are designed to engage students in learning that is meaningful and tied to our District Goals and Core Values.

Students will have flexibility in what learning activities they select.

- Check-in with the “Designated Staff” for each activity by sending an email to them before beginning that activity.
- You are required to complete a minimum of one clock per school day missed.
- Work required for some activities may span multiple days.
- Dual Credit students/CCP students need to follow the college or university plans.

Teachers will be available to support students completing their learning during normal school hours via email.

Item	Description	Recommended Grades	Time	Format
Hour of Code <b>Programming</b>	The Hour of Code started as a one-hour introduction to computer science, designed to demystify "code", to show that anybody can learn the basics, and to broaden participation in the field of computer science. Students will email <a href="mailto:tbartz@jagschools.org">tbartz@jagschools.org</a> to enroll in the course. After completion of the course, the instructor will notify the student that they have met their requirement for this activity.	9 - 12	 	
		Designated Staff - <a href="mailto:tbartz@jagschools.org">tbartz@jagschools.org</a>		
Hour of Code <b>Digital Art</b>	The Hour of Code started as a one-hour introduction to computer science, designed to demystify "code", to show that anybody can learn the basics, and to broaden participation in the field of computer science. Students will email <a href="mailto:tbartz@jagschools.org">tbartz@jagschools.org</a> to enroll in the course. After completion of the course, the instructor will notify the student that they have met their requirement for this activity.	9 - 12

Fencing Your Property	You want to put a fence around your large yard. Your job: determine what company will give you the best deal. Please see <a href="#">Mrs. Moore</a> for enrollment and a hard copy of this assignment. Assignments can be submitted to Mrs. Moore through email or in-person once we return.	9 - 12		
		Designated Staff - <a href="mailto:cmoore@jagschools.org">cmoore@jagschools.org</a>		
Choir: Concert Song Practice	Accompaniment CDs will be distributed Monday. For enrollment email <a href="mailto:tcebulla@jagschools.org">tcebulla@jagschools.org</a> . Submission will be through email.	9 - 12	 	
		Designated Staff - <a href="mailto:tcebulla@jagschools.org">tcebulla@jagschools.org</a>		
Creative Writing Options	Select two creative writing prompts to complete. For enrollment in this course email <a href="mailto:tfaulhaber@jagschools.org">tfaulhaber@jagschools.org</a> . Submission will be in Google Classroom.	9 - 12	  	 
		Designated Staff - <a href="mailto:tfaulhaber@jagschools.org">tfaulhaber@jagschools.org</a>		
Musician Fitness	Get ready for upcoming parades and performances with a fitness routine provided by the instructor. For enrollment into the course email <a href="mailto:tcebulla@jagschools.org">tcebulla@jagschools.org</a> . Submission will be through email.	9 - 12		
		Designated Staff - <a href="mailto:tcebulla@jagschools.org">tcebulla@jagschools.org</a>		
Stained Glass Window	Create a stained glass window by rewriting math equations. For enrollment into this course see <a href="#">Mrs. Moore</a> for a paper copy on Monday.	9 - 12	 	

# James A. Garfield Alternative Learning Plan

	The assignment can be submitted through email or a paper copy can be turned in once we return.			
		Designated Staff - <a href="mailto:cmoore@jagschools.org">cmoore@jagschools.org</a>		
Ohio Means Jobs K - 12	Utilize OhioMeansJobs K-12 to explore three different careers. For enrollment into this course email <a href="mailto:sscirocco@jagschools.org">sscirocco@jagschools.org</a> . Submission will be through email.	9 - 12		
		Designated Staff - <a href="mailto:sscirocco@jagschools.org">sscirocco@jagschools.org</a>		
Geometry Picture Project	Students will create a google slide presentation representing various geometrical shapes and concepts. Students will email <a href="mailto:dcarlson@jagschools.org">dcarlson@jagschools.org</a> to enroll in the course. After students have shared their presentation, the instructor will notify the student that they have met the requirements for this activity.	9 - 12	 	
		Designated Staff - <a href="mailto:dcarlson@jagschools.org">dcarlson@jagschools.org</a>		
Improve your Algebra Skills	This activity consists of several modules from khan academy to strengthen a student's skills in various Algebra 1 concepts. Students will email <a href="mailto:dcarlson@jagschools.org">dcarlson@jagschools.org</a> to enroll in the course. Upon completion of the course, the instructor will notify the student that they have met their requirement for this activity.	9 - 12	  	
		Designated Staff - <a href="mailto:dcarlson@jagschools.org">dcarlson@jagschools.org</a>		
Earth and its history	This activity is designed to have students explore the history of life on earth as well as some physical properties of earth. Students will email <a href="mailto:dcarlson@jagschools.org">dcarlson@jagschools.org</a> to enroll in the course. Upon completion of the modules, the instructor will notify the student that they have met their requirement for this activity.	9 - 12	 	
		Designated Staff - <a href="mailto:dcarlson@jagschools.org">dcarlson@jagschools.org</a>		

# James A. Garfield Alternative Learning Plan

Astronomy: Explore Space	This activity through Khan Academy modules will explore scale of the universe, life and death of stars, and galaxies. Students will email <a href="mailto:dcarlson@jagschools.org">dcarlson@jagschools.org</a> to enroll in the course. Upon completion of the course, the instructor will notify the student that they have met their requirement for this activity.	9 - 12	 	
		Designated Staff - <a href="mailto:dcarlson@jagschools.org">dcarlson@jagschools.org</a>		
Senior Scholarships	Seniors: work on completing your local scholarship applications. For enrollment into this course email <a href="mailto:sdamron@jagschools.org">sdamron@jagschools.org</a> . Submission will be through applications.	9 - 12	 	
		Designated Staff - <a href="mailto:sdamron@jagschools.org">sdamron@jagschools.org</a>		
Geometry Practice	Khan Academy is an online math program. Current Geometry students can log into their established account and continue to work on modules to strengthen their Geometry understanding. Students without an account need to email Mrs. Gaj at <a href="mailto:sgaj@jagschools.org">sgaj@jagschools.org</a> to receive code to join class. Students' progress will be monitored and Mrs. Gaj and Mrs. Carlson will be available to answer student questions, review progress and assist students with understanding of geometry concepts.	9 - 12	 	
		Designated Staff - <a href="mailto:sgaj@jagschools.org">sgaj@jagschools.org</a>		
Geology: National Parks	This activity is designed to introduce students to United States National Park System. Students will email <a href="mailto:dcarlson@jagschools.org">dcarlson@jagschools.org</a> to enroll in this course. After completion of the course, the instructor will notify the student that they have met the requirements for this activity.	9 - 12	 	
		Designated Staff - <a href="mailto:dcarlson@jagschools.org">dcarlson@jagschools.org</a>		
Tessellation: Geometry and Art	This activity is designed to let students express their creative side as well as familiarize students the geometry concept of regular polygons and transformation. Students will create their own unique	9 - 12
