

James A. Garfield Alternative Learning Plan | PreK - 6

Grades PreK - 6

Teachers at JAG place tremendous value on face-to-face learning. The activities presented in this learning plan are not meant to replace face-to-face instruction. These activities are designed to engage students in learning that is meaningful and tied to our District Goals and Core Values.

Students will have flexibility in what learning activities they select.

- Refer to the “Designated Staff” for each activity. This staff member will verify student completion of each activity for credit/grade.
- You are required to complete a minimum of one clock per school day missed.
- Work required for some activities may span multiple days.

Teachers will be available to support students completing their learning during normal school hours via email.

Item	Description	Recommended Grades	Time	Format
MULTIPLE GRADES				
Reading Counts	Select a book to read that is on the Scholastic Reading Counts list. You may now take a quiz at your home by visiting https://h100001761.education.scholastic.com/slms/studentaccess	1-6
