

"Parents SEE was a great experience. I learned a lot about the school system and that anyone can influence change. The knowledge and tools provided will be instrumental in my growth as a parent leader in the community."

-2023 Stratford Parents SEE Graduate

2024 Stratford Parents **SEE** (Supporting Educational Excellence)

If you are a parent, grandparent, or guardian of a child(ren) in the Stratford Public Schools and want to be a **leader, change agent, and active partner** in education, **sign up for Parents SEE TODAY!**

This FREE, 13 session program focusing on parent leadership in education returns to Stratford for the 11th year. Join the other 174 parents that have graduated!

Learn the **skills**, get the **tools** and gain an **understanding** of how to help address inequities, improve schools and community engagement, and increase student achievement.
