Welcomes You to Our New App!!

HERE COMES THE BUS

We are excited to announce that **Here Comes the Bus** app is ready to track your student/s bus via GPS!

Please join us by downloading the app on your device. Once installed, you will need to sign up for an account. Our district code is **29977**, you will be asked to confirm registration for Goochland County Public Schools. Be sure to use a valid email address as you will need to activate your account before you can login.

Students will need to be added into your account by their last name and student ID number. This information can be found in PowerSchool or on your students' report card.

We are still working through some minor issues but feel very confident that they will be resolved as you continue using the app.
