Achieve Excel Soar

October 6, 2023

Dear Assawompset Families,

Good Morning! We are happy to announce that we are in our final stages of the Assawompset window and door project. Please see the updates below and take a peek at the new look of our matching doors!!

- As of yesterday's Project Team Meeting, all windows are installed in all areas of the building..
- The doors will continue to be worked on during the second shift with the front of the school being the anticipated goal for the long weekend ahead.
- The project completion date is mid October and remains on schedule, with opportunity and hope of finishing prior to the completion date.

Thank you for your continued support and please plan to expect weekly updates that will outline weekly progress and information. If you have any questions regarding the project, please feel free to contact us.

Regards,

Bethany Pineault
Principal

Alan Strauss
Superintendent
