Dear Watertown High School Family, Parents, Teachers and Administrators:

The Watertown High School PTO would like to extend a warm welcome to all of our students and their families. Currently we are a very small group of parents that need help continuing to run PTO at WHS.

At this time, **we meet the 4th Wednesday of the month** at 7pm in the WHS Library. This is our opportunity to connect with and receive updates from WHS administration.

What our PTO funds currently support:

- A Teacher Appreciation Lunch
- WHS PTO Scholarship: Currently awarded to two high school seniors.
- Small Discretionary Fund: To cover minimal operational expenses, budget referendum awareness (last year we helped purchase lawn signs), and miscellaneous WHS community needs.
- The above totals about \$3000, additionally we support Project Graduation

What we need:

- **Financial Support**– At least **\$10 from each family** would allow us to continue to provide the current initiatives above without the need to for additional time-consuming fundraisers.
****Everyone who makes a donation by Thursday September 27th will be entered into a raffle to receive a \$25 Amazon gift card! ****
- **PTO Board Members**– We are in desperate need of a few parents who are able to continue running PTO at WHS. In these post pandemic years, we have less help than ever before and are in jeopardy of not having enough people to continue to run a PTO.
- **Project Graduation Planning Committee**- In order to continue our beloved tradition of holding an all-night party at WHS after graduation, we need a committee to plan it.
