

## Spice up your SuperBowl

Superbowl Season is upon us! Create a unique menu to share with family and friends from these featured rubs and sauce. Do you like a sweet and spicy flavor or the slow heat of Cajun? We have a nice selection to choose from.

The Swift PTSO is supporting local businesses and this fundraiser is being brought to you from a family in our Swift community. We are pleased to offer these great flavors provided by Downback BBQ.

Please return all orders by Wednesday, January 26th of 2022.
