SEND TO STURCOTTE@ISD700.ORG

Do you have a compelling story or interesting photo from district happenings? Send story ideas and/or photos to sturcotte@isd700.org for use on the district website and social media.

SUPERINTENDENT UPDATE

by *Wayne Whitwam*

The district created a fluid plan to keep our schools safe during the pandemic and we followed that plan with consistency. At this time face coverings are recommended across the district, but only required in our Head Start program because federal dollars are tied to that mandate. We still have all other mitigation strategies in place. We are thankful to our staff for covering for each other this year, as well as our substitutes. Without the people of our community willing to fill in as substitutes across the district, we could never have stayed with in-person learning.

Congratulations to the Proctor/Hermantown Mirage on placing 2nd in the state tournament! I want to thank the players, fans and parents for their impressive display of sportsmanship at the tournament. I loved that St. Paul's students section was cheering for our Hermantown girls to win! The goodwill from showing positive sportsmanship pays dividends into the future for our community.

Finally, I want to send a heartfelt thank you to our activities director, Beth Clark. She is retiring from Hermantown after 30 years of service to the district. This retirement presents a challenge because of the respected person she is and her degree of ➡

institutional knowledge cannot be replaced. She knows many of the residents as former students, participants and parents. In addition, she has connections all over the state. Change is inevitable and we will develop a transition plan to move forward and build on what has been created with activities and athletics in Hermantown.

ELEMENTARY BOOK FAIR

March 14-21
Elementary Library
Try [Scholastic e-Wallet!](#)
