

***USD 503 Learning Plan***  
***2<sup>nd</sup> Semester***  
***Jan. 19, 2021-May 28, 2021***

**Elementary Schools**

All students return to face to face learning.

*Exceptions for:*

- Students on quarantine
- Student or student household members with a documented medical condition that puts them in a high-risk category for complications related to COVID-19

Students on quarantine (grades Pre-k-5) will participate in remote learning (packet or device- building decision)

**Secondary Schools**

**Face to Face Learning or Limited Remote Learning (with approved application)**

Parents may apply for their child to remote learn and decisions will be made based on the following criteria:  
*(Those who do not qualify based on a medical condition must meet both the attendance and grade criteria in order to be approved.)*

1. Student or student household members with a documented medical condition that puts them in a high-risk category for complications related to COVID-19
  2. Student attendance
    - Student can not be chronically absent or truant from school
  3. Student academics
    - MS- students must have passed all courses first semester
    - HS- students must not have failed two or more classes first semester
- Students approved as remote learners for second semester must remain students in good standing with attendance and grades in order to continue to participate in remote learning.
  - Remote applications will be made available to families January 13, 2021 and must be returned in by Jan. 18, 2021
  - Remote applications would be reviewed by admin/staff and a determination made by January 19, 2021

*Some courses, due to their nature, may be unavailable based on course requirements. Testing centers and science labs will be made available at specific times.*

*Remote learning would continue for students on quarantine.*

*Students would be responsible for zooming into their classes each hour and their coursework as assigned.*
