“Change will not come if we wait for some other person or some other time. We are the ones we’ve been waiting for. We are the change that we seek.” —Barack Obama

The focus for the third marking period is **Mindset**, the third principle from this year’s theme: “Lift off to Success”. A **Mindset** is an "established set of attitudes, esp. regarded as typical of a particular group's social or cultural values; the outlook, philosophy, or values of a person; (now also more generally) frame of mind, attitude, and disposition. *What is your Mindset for this school year? Please share this information with your family, friends and staff members.*
