### MRS. KELSIE D'ACHILLO

Hello Zane North Families! My name is Kelsie D'Achillo and I have been apart of the Zane family for 5 years. Thank you for allowing me to share my life with you. I graduated from Towson University in 2011 and have been teaching ever since. I have had the privilege of working with children in grades K-8 ranging in abilities. I have loved teaching students with special abilities ever since I was little and met my aunt's old neighbor who was diagnosed with autism and was nonverbal. This little boy taught me more about life than I ever thought possible and helped me decide what I wanted to do in the future. Now, I have the opportunity to teach amazing children in the MD 3-5 classroom here at Zane North. My husband Tom and myself have two children, Dominic (age 6) and Milana (age 4). We enjoy spending time in Disney World, at the beach, outside, playing sports, and spending time with our family and friends. I would like to thank the Zane North Families and PTA for always coming together to support our students and school. I am excited for the pandemic to end so we can enjoy our gatherings once again.

#### MRS. KELLY CURLEY

Hello Zanies!!! Boy have we had a roller coaster of a ride this school year, lots of ups and downs and bumps and bruises with this pandemic, but nothing stops us, Zanies, from continuing to succeed in our educational journey. My name is Mrs. Curley and I am the MDK-2 teacher here at Zane North. I teach Kindergarten, first and second grade in a small classroom setting specializing in autism. I am in my 21st year of teaching and my 14th year here at Zane North, the absolute BEST school around. I began my teaching career as a 5th grade teacher in a Northeast Philadelphia school. A year later I began teaching in Turnersville, NJ at a school called the Child Development Center where I learned all about autism and how to teach children with autism. This is where and when I realized that working with children on the autism spectrum would become my passion. I have taught students ranging from Pre-K to grade 5 throughout my teaching journey and have learned so much from each and every student that has crossed my path. I am a resident of Pennsylvania in the Lower Bucks County. I grew up in Philadelphia most of my life and went to very large schools, graduating with over 1,500 students my senior year, Wow! So, I decided to go to a smaller school for college. I graduated from Holy Family University in Northeast Philly earning a dual Bachelor's degree in Special Education and Elementary Education. I have 13 year old twins, Mark and Grace who are in 8 th grade getting ready for high school. They are 2 peas in a pod, best friends who couldn't be more different. I later decided I want to go back to school to earn a Master's degree in Educational Leadership to maybe one day become a principal. I finished this degree when my twins were just babies. I love spending time with my children, they teach me so much. I am learning silly TikTok dances, creative life hacks, and I'm learning what trendy words are cool to say and NOT to say. We love dancing, playing chess, volleyball and watching musicals together. You will also find me working out on my new rowing machine, scrapbooking, floating in my pool with a good book, playing all kinds of sports in my backyard and cheering on my Eagles. I could not be more proud of the wonderful students, staff and parents who make up our Zane North community. I am proud to call them family. We are making it through this crazy roller coaster ride of a pandemic because of the amazing support and kindness we show each other every day at Zane North Elementary School.

## **READ-A-THON SUCCESS!**

The PTA would like to give a great big THANK YOU to ALL who participated in the Read-a-Thon!! The entire Zane North Community (Principal Santo, Teachers, Students, Parents, Caregivers, along with Friends and Family of Zane North) came together and made this fundraiser a huge success!

Thank you to our sponsor PARTS LIFE, INC https://www.partslifeinc.com/

Congratulations Zane North Community, we raised **\$13,260** AND our students logged in a total of **62,345 minutes** of reading! You kids did such a great job and we are so proud of you!

RTS LIFE. INC.

Congratulations to the 5th grade class that logged in 8,817 minutes and raised over \$3000 which will go to their end of year festivities and graduation. Great job 5th grade!!!!

# VIOLET ERDELY

Congratulations to Violet Erdely, from Mrs. Jones first grade class, who was awarded PBS's featured Artist of the Month for March (PBS39). Violet, who spent much of 2020 and 2021 drawing, painting, and creating art like many of her schoolmates, was excited to participate in the contest and was thrilled to win. To see her work, and check out the contest yourself, visit the PBS website at https://www.wlvt.org/education/artist-ofthe-month/. Find Violet's interview just under the contest rules and application form.

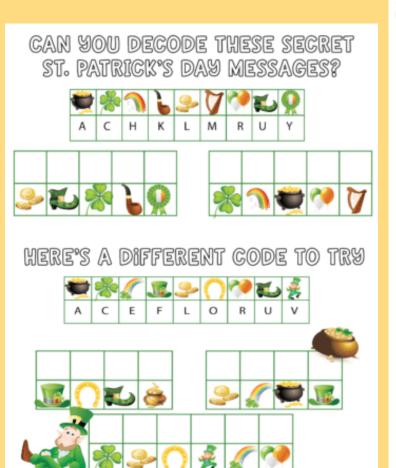

## DYLAN MLCOCH

Congratulations to Dylan MIcoch, from Mrs. Jones first grade class, whose winning art design interpreting "Healthcare Heros" was painted into a mural by "Splashes of Hope" and is currently hanging in the pediatric department at Virtua Memorial Hospital in Mount Holly, NJ.
