Dear Parents/Guardians:

The PSAT is an assessment issued by the College Board that is considered a substitute assessment graduation requirement for the Classes of 2022, 2023, 2024, and 2025. The College Board offers the ability for districts to administer the PSAT on a specific school day during the week. This year, the College Board has designated Wednesday, October 13, 2021 as that day for PSAT testing administration.

The PSAT is designed to measure the ability to understand and process elements of reading, writing, and mathematics. Many students use this exam to get feedback on their strengths and weaknesses in preparation for the SAT. In addition, students who take the PSAT during their junior year may qualify for prestigious National Merit Scholarships based upon their PSAT scores.

The district will take part in administering the PSAT on the morning of Wednesday, October 13, 2021.

Due to the test administration of the PSAT being done during the school day, the Hanover Park Regional High School District will be placed on a special delayed opening schedule for October 13, 2021. All students who register for the PSAT will arrive at normal time (7:45 a.m. – Hanover Park, 8:10 a.m. – Whippany Park).

Students who choose not to participate in the PSAT exam will follow the delayed opening schedule below:

Hanover Park – 10:50 a.m. start time – Report to period 5A
Whippany Park – 11:15 a.m. start time – Report to period 5A

A busing schedule is enclosed for students who choose not to participate in the PSAT testing. Please refer to Page 2 for Hanover Park High School bus schedule and Page 3 for Whippany Park High School bus schedule. Those students who participate in the PSAT will be picked up by bus at their regularly scheduled time.

Please do not hesitate to contact your child's guidance counselor with any questions.

Thank you.

Sincerely,

Noemi V. Cartaño Schlecht
