

### Drop Off (AM)

- Doors will open and supervision will be available at 7:05 AM
- The drop-off zone is marked by two white lines painted on the pavement.
- Please pull **all the way** forward as directed so that we can unload several cars at a time. To avoid congestion during drop off, please pull around **as soon as** your student safely exits the vehicle.
- While exiting, follow the traffic pattern. For students' safety, do not try to pull around any cars that are in the process of letting students out of cars.
- If your child is tardy and arrives after 7:25 AM, they must be walked into the school by an adult and be signed in at the front office.

### Pick Up (PM)

- Please park in the spaces closest to the woods/Cedar Road (see map below).
- You will NOT be able to pull up to the side door used for AM drop off. This is where our buses park.
- Students may walk to their cars while buses are loading.
- Once buses begin exiting, students will not be permitted to walk to their vehicles until all buses are cleared.
