

## **Morris Grade School Remote Learning Plan**

### **Remote Learning Plan**

Morris School District 54 plans to utilize Remote Learning on a case-by-case basis beginning with the 2020-21 school year.

### **Purpose of the Remote Learning Plan**

In the event students are not allowed to participate in site-based instruction during the school year, the district may be required to implement the use of this Remote Learning Plan. When implemented effectively, this plan can help teachers continue with instruction by utilizing innovative methods which are already encouraged and supported. Learning will take place in both a synchronous and asynchronous environment to meet the varying needs of our families.

### **Remote Learning Structure**

The following structure will be used if the school must go into a Remote Learning Environment. Teachers will be available to answer questions via email each day between 9:00 am and 3:30 pm. The following schedule will be used as a weekly guide for the instructional process.

If the school utilizes a Blended Learning Model, then this guide could be adjusted. All schedule adjustments will be communicated to the parents from Administration.

### **Remote Learning Assignments and Attendance**

All students in grades K-8th will be provided a Chromebook to be used at home during Remote Learning. Attendance will be completed by filling out a Google Form that will be sent out by the student's Homeroom Teacher. This form must be filled out by 3:00 pm each day. Students will be marked as an unexcused absence in PowerSchool after this time. After 24 hours, this unexcused absence may not be changed back, even with a parent phone call. If student work is not completed within one week, students will be given a zero. Any zeros will follow Handbook Guidelines as it relates to the acceptance of make-up work.

### **Student Meals**

We will provide Grab and Go Lunch Pick-Up each day of Remote Learning. Meals are free to ALL Families. Simply fill out the Lunch Form that is sent out each Friday afternoon to have a meal ready. It will be available from 11:45 am-12:45 pm. Pick-Up will be at Door 28.

**Students with Special Needs / Accommodations**

Students who require special accommodations to complete their assignments will be given the appropriate time after their return to school to receive those accommodations. Service minutes such as OT/PT/Speech/Social Work will be conducted virtually using Google Meet and Google Classroom.

**Plan Modifications**

It is possible, once we begin using Remote Learning, that modifications will need to be made to this plan. We will communicate any plan changes as they occur.
